## Is it your aim to achieve **trouble-free processes** in the regulatory affairs sector?

AMZD Wagner is your competent partner for efficiently coping with all the obstacles in the Swiss regulatory affairs sector and paves the way for a successful formal regulatory process.

Based on our vast experience, we support your products on their way to approval by using a broad network within the Swiss pharmaceutical industry.

We would be pleased to introduce our **service spectrum** to you in person.

Do not hesitate to **contact** us without any commitment.
